

Incorporating your source image

If you are interested in a one-of-a-kind, custom mural, you have come to the right place. Our artist starts with your images, then digitally modifies and enhances them, turning your regular art into fine art. When your image is ready, we print it at your desired size using oil based inks on archival quality, fine art canvas.

A "Mural Fine Art" portrait can be created from any good quality color or black and white photograph that is at least 4" x 6" or up to 8" x 10".

Photo Selection Guidelines:

- The subject should fill at least the size of the print (photograph).
- Portrait subjects' head(s) should be at least 1/3 to 1/2 of the photograph.
- The photograph should be clear, sharp and in focus.
- The photograph should be clean and scratch and dust free.
- Photographs that have to be re-touched will be billed at \$125 per hour.
- Photographs that are black and white can have color added to them and the backgrounds and additions can be in color

- No polaroid prints will be accepted.
- Original photographs will be returned with the final canvas or paper print.
- Black and white photos can be printed or re-created in sepia or any color of your choice.
