

## Introduction

One of the best ways to memorialize your loved ones, locations that you've been to, or just one of your favorite photographs to to have a personalized Fine Art paper print, canvas print or mural.

Imagine, your most treasured photograph captured and artistically enhanced, interpreted by Michael Knigin along with his images and concepts intertwined with images (photos) from your albums and or collections adorning your home or office! A hand signed, one of a kind collectible.

Because of his years of experience, creating extraordinary museum quality "Portraits", his respect and awareness of your feelings, preferences, emotions and individual wishes (after a personal and private consultation), he is able to capture and personify your photograph in different environments, images (that you can supply) with the dignity that they deserve.
